The Sheboygan Steam Mill, on and near the mouth of Sheboygan River. The Sheboygan Water Mill, one mile from the mouth, with dwelling houses, barns &c. At Duncan a Pier is erected, extending out to a sufficient depth of water to accommodate any vessel navigating the Lakes. This is admitted by navigators by reason of the bay and Pier, to be the best Lake Harbor between Detroit and Chicago--it is a desirable Wooding and Coaling Point, being on the direct route for Propellers and sailing vessels. This property is [illegible] as a point at which a town must soon grow up, as the country back of it is fast filling up, for many miles, with settlers.

The Sheboygan Water Mill has the entire power of Sheboygan River, a never failing stream of great volume, which never freezes, the dam being at the falls of the river, is easily kept in repair. This is the most valuable water privilege in the State of Michigan, north of Grand Rapids.

To a company or individuals, desirous of entering into the lumber trade, this property offers rare inducements with a certainty of greatly increased value in a very few years, and will be sold much below original cost, or present value, to close a concern.

A RARE CHANCE TO PURCHASE PROPERTY
IN A RAPIDLY GROWING CITY IN
SOUTHERN WISCONSIN!

Three Hundred Lots at Auction,
IN THE
CITY OF JANESVILLE, ROCK COUNTY, WIS.

WILL be offered at public sale on the 23d day of October next, THREE HUNDRED CHOICE LOTS, situated around, and all within 200 rods of the Union Depot of the Milwaukee & Mississippi, Chicago, St. Paul and Fond du Lac, and Southern Wisconsin Railroad Companies, being among the choicest property within the limits of the city.

Next to Milwaukee Janesville ranks as the most flourishing and healthy town in Wisconsin. Without any excitement in speculation to hasten or force on its progress, from the beauty and healthfulness of the situation, its extensive water power, (the Rock River affording two powers within the city) and the fact that it draws the trade of a large district as rich in agricultural resources as any in the Great West, the town has had a steady and at the same time a rapid growth. The number of inhabitants now exceeds 9,000, and visitors cannot fail to be impressed with the evidences of business and enterprise presented on every hand.

By the completion of the Chicago road, the place is brought within two hour's travel of the Great Emporium of the Northwest, and this connection is destined to make rapid advances in the growth of Janesville and the prosperity of all the country round about. The Southern Wisconsin road leads in from the west, and will be in operation, next summer as far as Monroe, the county seat of Green county, thirty miles distant. In the course of the next two years this will be the centre of five railroads, and even now it is the great produce market of southern Wisconsin.

The Rock River Valley is the garden of the Northwest unsurpassed in its natural resources and everywhere presenting beautiful landscapes of prairie and Oak openings.

The attention of all who wish to avail themselves of an opportunity to make profitable investments, or to purchase a site for a home, is solicited. Abstracts of title and particular information can be had from the undersigned.

Terms of sale--One-fourth cash, and the remainder in equal instalments at one, two and three years--interest seven per cent, and security on the property.

The La Crosse Road and the Land Grant.

We publish this morning the act of the Legislature granting to the La Crosse and Milwaukee R. R. Company the lands donated to this State by Congress, to aid in the construction of a railroad from Madison and Columbus, by way of Portage City, to St. Croix and Lake Superior; as also the resolution of the Directors of the Company, accepting the grant, and the formal certificate of the Secretary of State, attested by the Great Seal of Wisconsin. The Company has been thus put in possession of nearly two million acres of Public Lands, valued at from ten to fifteen millions of dollars, and sufficient at least, under prudent and faithful management, to build and equip the road.

We have already expressed the confident opinion that this disposition of the Land Grant was the best and wisest which could have been made, and we do not doubt that its influence upon the fortunes of our city, will be of the happiest character. The La Crosse & Milwaukee Rail Road, completed to Lake St. Croix, will become the grand thoroughfare between Wisconsin and Minnesota, and will be a connecting link in the great chain of railway which, ere many years have elapsed, will bind together the Atlantic and Pacific States. Milwaukee has grown rapidly and prospered abundantly, in the past, but the future has that in store for her which will more than fulfil the expectations of the most sanguine believers in her rising star.

A Funny Paper.

The Beaver Dam *Sentinel* is a funny paper.—Every day it serves up some newly concocted, sparkling, peppery dish of calumny against the Fremonters, so highly colored as to be simply amusing. It would be a disappointment to us not to see the regular supply coming along daily.

The last item of the sort comes in the shape of direct and authentic advices by private subterranean telegraph from the Czar, Louis Napoleon, Franz Joseph & Co., wholesale despotism dealers in Europe, to the effect that the said enterprising firm has furnished the Republicans with "a loan of a million of dollars, to buy up editors, priests, politicians, and to pay for stump speakers, and all other expenses necessary to overthrow the Democracy and government, in the present campaign." Whereupon, there being a democratic meeting called in Beaver Dam, the editor thus highfalutingly and magnificently exhorts the unterrified:

> "Turn out to every Democratic meeting and let the fire of patriotism in your bosom be fanned into a flame, that those around you in darkness who are now wandering in a bewildered state of mind in the thick morass and among the bogs of Black Republican Toryism, may see your light and come to it, and thus escape the awful night of death that now already begins to cast its dismal shades upon them."

We call that rather good. What an enviable position is ours, to be able to read such eloquent words every blessed day!

Singular Legislation.

We learn from Madison that the bill to pay Gov. Bashford's counsel in the contest last winter, (which would have been only a matter of sheer justice) having passed the Senate, was amended in the House on Monday night, by making an appropriation for Ex Gov. *Barstow's* counsel! thus offering a premium for dishonesty and fraud. Also that the bill thus amended came to the Senate at the session early yesterday morning, just before the adjournment, when very few Senators were present—that the question being on concurring with the Assembly in the amendment, Mr. Sholes endeavored in vain to obtain a call of the Senate, so as to get a full vote, or see if a quorum was present—that all attempts of the kind were frustrated by the presiding officer, Lt. Governor, who hastily put the vote, declared the amendment concurred in, and then declared the Senate adjourned *sine die.*—Certainly there could have been no signing of the bill after that moment, so that it appears impossible that the bill could have become a law.

The Apportionment.

In our table of the districts under the new Apportionment, we omitted the three following districts:

No. 3, Sheboygan Co: towns of Lima, Linden, Mitchell, Scott, Abbott, and Holland.

The counties of Crawford and Bad Axe.

The counties of La Crosse and Monroe.

A. Great Ado.—A correspondent of the *News* makes a great ado about the cost of the investigation which the rascalities of the Barstow faction made necessary, of the financial affairs and school land business of the State, and takes especial pains to pitch into Judge Potter, for making a charge for his services on the Investigating Committee. The Committee charged for their *per diem* during the recess, and in addition, those who were steadily employed about the work, charged for the time that they were so occupied. The correspondent takes especial care to single out Judge Potter, and the Republican members, and to say nothing about the Democratic members of the Committee, whereas the account stands in fact as follows:

	Days.	Am't paid.	Date.
David Taylor,	25	$387 50	Sept. 2
D. Worthington,	—	—	—
P. H. Smith,	13	387 50	do
H. H. Gray,	1	387 50	do
Wm. Hull,	135	775 00	
A. Greulich,	22	362 50	Aug. 23.
C. Burchard,	17	362 50	do
J. F. Potter,	140	350 00	Sept. 2.
Total amount,		$3,012 00	

In addition to the above, a bill was reported in Assembly to pay Judge Potter $387 50, for his services as Chairman of the Committee, and here is the vote upon it from the Assembly Journal:

No. 410 S, a bill to appropriate to John F. Potter the sum of $387 50.
Was read a third time,
And passed.
And the ayes and noes being required,
Those who voted in the affirmative were
Messrs. Aiken, Ammason, Bird, I. Brown, *J. T. Brown, Burchard, Butterfield, Cameron,* Catlin, Chappell, *Cheves, Childs, Chipman,* Connor, Crammond, Crawford, Day, *Drake, Farr, Fletcher,* A. D. Gray, Greulich, Hahn, *Hawkins, Hawley,* Hayes, *Howe,* James, *H. Johnson,* P. Johnson, E. Knowlton, *Lauderdale,* Lavis, McCormick, Morrison, Murphy, Noon, *Noyes,* Palmer, *Parker, Reed,* Sell, Seymour, Smith, Stark, *Taylor,* H. S. Thomas, Vogenitz, Wagner, Walker, *Weaver,* Woodman and Hull, Speaker—58.
None voting in the negative.

Passed unanimously, 34 democrats and 24 Republicans voting.

We don't think that much party capital can be made out of that; nor do we think that the party which caused the Investigation ought to grumble at its cost.

A Murdering Parson.—A Republican paper in Kansas, after giving an exalted account of one of the late skirmishes, thus triumphs in the death of a border ruffian:

> "He was shot through the heart by a clergyman named Martin White. After being killed, and while lying on the ground with the mouth relaxed and open in death, another shot was fired down his throat."

The *American Citizen* says, "the Martin White who performed these gallant exploits, is the same chivalrous divine who frequently supplied Beecher's pulpit in Brooklyn.—*Madison Argus.*

Doubtless both the *Argus* and the *American Citizen*, the Know Nothing paper which perpetrates the last falsehood above, *know* that the whole story, as applied to the Republicans, is false. The horrid circumstances of the death narrated, took place at the killing of young Brown, a free State man, at Ossawattomie, in the attack on that town by the Border Ruffians, and the Martin White who killed him is a thorough-going Border Ruffian, and a Buchanan man of the strictest sort.

A Rich Joke.

The Detroit *Free Press* goes into ecstacies as follows:

> We have the intelligence that in the Mackinaw representative district, Mr. Wendell, the democratic candidate, is elected by two hundred and fifty majority. He was violently opposed, but the democratic triumph is decisive. Thus, *the whole delegation*—one Senator and three representatives—from the Upper Peninsula is democratic—an event, we think, that has never before occurred. From every section of that country we have the assurance that the democratic majority in November will be ONE THOUSAND!—This is glorious. Let the Lower Peninsula imitate the noble example.

The joke of the thing consists in the fact that there were no others except "democratic" candidates running, and that the whole affair turned on a railroad quarrel.

Suspicious Movement—Rats Deserting a Sinking Ship.

> We find in the Milwaukee Sentinel of Oct 6th, a long letter from H. G. Webb, resigning his position as the Democratic elector for this district, and announcing his intention to labor for Fremont and Freedom. The Sentinel seems to take this all in good part, but did its editors only know the wily workings of the man, *they might* not perhaps have much cause to rejoice at the playing of this last card in the desperate game. —*Berlin Courant.*

The impression seems to prevail in several quarters that Mr. Webb is "playing possum" in some manner. *Our readers know as much about* him as we do, and can form their own conclusions. His letter was certainly an excellent one, and must have convinced even himself, if he had any lingering doubts, one would think.

"Columbus Journal."—Mr. Thayer, one of the proprietors of this excellent paper, the only one published at Columbus, Columbia Co., in this State, and enjoying a wide circulation, is in town, and intends to call upon some of our merchants to solicit advertisements. The advantage to themselves will be a sufficient inducement to liberal advertisers; but we may add that a lift in that way will do a good turn to a young man, an old printer, who is obliged, having lost both of his arms, to write all of his editorials holding the pen *in his teeth.* His indomitable perseverance is worthy of encouragement.

"Porter's Spirit of the Times."—The old original William T. Porter, known to "all the world and the rest of mankind" as *the* authority on the subjects of the Turf, the Stage, Field and other Sports, Stock, etc., has left his old quarters, and established a new and sparkling 16 page quarto paper, entitled *"Porter's Spirit of the Times."* Hosts of admirers and friends will follow him to his new quarters, 364 Broadway, whence he sends forth his weekly greetings, at $3,00 per year, in advance.

A Rising Stock.—The telegraph reports that the stock of the La Crosse and Milwaukee R. R. Company, sold in Wall street, yesterday, for 84. Only a few days since it was quoted at 70a72.—This sudden rise is attributable, of course, to the Land Grant. The stock will go still higher, and is destined to become a favorite one with Eastern capitalists.

Later from Europe.

The *Persia,* with four day's later dates from Europe, arrived at New York yesterday morning. The news she brings is comparatively unimportant. The political horizon in Italy is overcast, but the storm may blow over. There was a better inquiry and firmer market for breadstuffs and the New York market improved yesterday, in consequence.

Post Office Appointments.—We learn that Ethan C. Curtiss has been appointed postmaster at Elm Grove, Waukesha Co. in place of G. F. Beebe, resigned.

Also Wm. A. Waterhouse at Darien, Walworth Co, in place of H. Frey, resigned.

Republican Mass Meeting at Waupun.

The Republicans of Waupun and vicinity hold a mass meeting on Friday of this week, to which they invite a full attendance of the friends of the cause of Freedom.

Sauk Co. Nominations.—The Republicans of the North Assembly District of Sauk Co., have nominated A. West, of Reedsburg.

The La Crosse Land Grant Bill.

An Act to grant certain lands to the La Crosse and Milwaukee Railroad Company, and to execute the trust created by an act of Congress entitled—"An act granting public lands to the State of Wisconsin, to aid in the construction of railroads in said State;" approved June 3d, 1856.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

Section 1. The La Crosse and Milwaukee Railroad Company is hereby authorized and empowered to survey, locate, construct, complete, and perpetually to have, use, maintain and operate railroads with one or more tracks or lines, from the city of Madison, in the county of Dane, and from the village of Columbus, in the county of Columbia, on the most direct and feasible route, by the way of Portage City, to the St. Croix river or lake, between townships twenty-five and thirty-one, and from thence to the west end of Lake Superior, and to Bayfield; and shall have, possess, exercise and enjoy the same rights, privileges, functions, franchises, authority and immunities with reference to the said routes, or any railroad to be built thereon, as it now possesses or enjoys, with reference to any route it is now authorized to occupy, or any railroad built or to be built thereon; and there is hereby conferred upon the La Crosse and Milwaukee Railroad Company, all the power and authority contained in the charter of said company, and in the acts amendatory thereof, for the purpose of carrying out the objects of this act, and of appropriating and applying the lands hereinafter in this act granted, or their proceeds, to aid in the construction of railroads by this act authorized to be built.

Sec. 2. The said roads shall be constructed on the most direct and feasible routes from Madison to Portage City, and from Columbus to Portage City, simultaneously as nearly as practicable; and both of them shall be completed by the last day of December, A. D., 1858.—And for the purpose of estimating and selecting the lands granted by Congress, the city of Madison is hereby designated as the point of commencement of said road, and the whole of the railroad hereby authorized to be constructed, shall be constructed by said La Crosse and Milwaukee Railroad Company, within ten years from the tenth day of July, A. D., 1856.

Sec. 3. The said La Crosse and Milwaukee R. R. Company shall never set up the defence of usury, to any contract in any court whatsoever; it may purchase and own rails, chairs, spikes, engines, tenders, cars, and all other things necessary and useful for the construction or operation of a railroad, and sell the same; and it shall also have power and authority to operate its said roads, or either of them, in connection with any and all other railroads which may cross, come up to, or connect with the said railroads, or either of them, upon such terms as shall be mutually agreed upon by and between the said companies; provided, however, that the said La Crosse and Milwaukee Railroad Company, in making any such contract as last aforesaid, shall give no preference to one company over any other such company or companies, as last above mentioned, but all such companies shall be put upon the same equal terms; and provided, also, that if the said La Crosse and Milwaukee Railroad Company, and such other railroad company as may desire a running connection with the same, shall at any time not be able mutually to agree upon the terms of such connections, then, and in that case, either party may apply to the Circuit Court of the Circuit in which said connection may be sought, and the said Circuit Court shall appoint three commissioners, whose duty it shall be forthwith to proceed to examine and adjust the terms on which the said connection shall exist, and the said award of terms of connection shall be filed in the office of Secretary of State, and shall be binding on both parties for the term of two years; such application shall be on not less than ten days notice in writing to be given by the party making such application, to the adverse party.

Sec. 4. For the purpose of aiding in the construction of the railroads—which, by this act, the said La Crosse and Milwaukee Railroad Company is authorized to construct—all the interest and estate, present and prospective, of this State, in, or to any, and all the lands granted by the government of the United States to the state of Wisconsin for the purpose of aiding in the construction of a railroad from Madison or Columbus, by the way of Portage City, to the St. Croix river or lake, between townships twenty-five and thirty-one, and from thence to the west end of Lake Superior, and to Bayfield, by virtue of an act of Congress entitled—"An act granting a portion of the public lands to the State of Wisconsin, to aid in the construction of railroads;" approved June 3d, 1856, together with all and singular the rights, privileges and immunities conferred, or intended to be conferred, by the said act of Congress, are hereby granted to the said La Crosse and Milwaukee Railroad Company; provided that the said land shall be exclusively applied in the construction of that road, for which it was granted and selected, and shall be disposed of only as the work progresses, and the same shall be applied to no other purpose whatsoever; and provided further, that the titles to said lands shall vest in the said La Crosse and Milwaukee Railroad Company, in the manner following, that is to say, whenever *twenty continuous miles of the said road* shall have been completed, so as to admit of running regular trains upon the same, the Governor of this state shall certify to the Secretary of the Interior the fact that such twenty continuous miles of such roads are completed as aforesaid, then the title to two hundred and forty sections of said lands shall vest in the said La Crosse and Milwaukee Railroad Company; and when a second twenty continuous miles of said road shall have been completed, so as to admit of running regular trains upon the same, the Governor shall certify as before, and thereupon a further quantity of one hundred and twenty sections of said lands shall vest in said company, and so from time to time, until said roads are completed; and it shall be the duty of the Governor so to certify to the Secretary of the Interior, whenever any such twenty miles are completed, so as to admit of running regular trains of cars over the same; and the Governor of the State, shall in his official capacity, and in behalf of the State, and under the great seal thereof, execute and deliver to the La Crosse and Milwaukee Railroad Company, whenever it shall by virtue of the provisions of this chapter, be entitled to any of said lands, a deed in fee simple of any, and all of the lands, to which said company shall be entitled; provided, that said company shall not sell any of said lands until twenty miles of said road shall be completed, so as to admit of running regular trains over the same, and so on from time to time, so that the sales of land by said company shall never exceed six sections of land for every mile of said road so completed.

Sec. 5. The location and designation of the route and line of the said roads shall be made by the said La Crosse and Milwaukee Railroad Company, and the same shall from time to time, and as fast as practicable, be reported to the Governor of the State. The selection of lands provided for in the act of Congress hereinbefore mentioned, shall be made by such agents as may be appointed by the Governor of the State. Said selection, as well as the survey, location and completion of said roads, and the compensation of such agents, shall be at the cost and charge of said company, without charge of any kind upon the treasury of the State of Wisconsin. Said railroads, which shall be constructed by the application of funds derived from the lands herein granted, shall be, and remain public highways for the use of the government of the United States, free from any toll or other charge upon the transportation of property or troops of the United States, and the United States mail shall be transported over said roads under the direction of the post-office department, as provided in said act of Congress.

Sec. 6. *In consideration of the grants,* privileges and franchises herein conferred upon the said La Crosse and Milwaukee Railroad Company, for the purposes aforesaid, the said company shall, on or before the first day of March in each year, pay into the Treasury of the State such sum as it is, by the existing laws of the State, required to pay, in place of taxes upon its road now constructed, or which it may hereafter construct under the present charter, and, in addition thereto, it shall pay into the treasury of the State, on or before the first day of March in each year, four per centum of the gross earnings of said road, to be built by said company, in pursuance of the power and authority conferred by this act, for the year ending on the last day of the preceding December, in place of taxes on that portion of its said railroad so to be constructed; and for the purpose of ascertaining the gross earnings aforesaid, an accurate account of such earnings shall be kept by said company, an abstract whereof shall be furnished by said company to the treasurer of this State, on or before the first day of February in each year, the truth of which abstract shall be verified by the affidavits of the treasurer and secretary of the said company, and for the purpose of ascertaining the truth of said affidavits, and the correctness of such abstracts, full power is hereby vested in the Governor of this State, or any other person appointed, as may be by law prescribed, to examine the books and papers of said company, and to examine, under oath, the officers, agents and employees of the said company, and other persons, and if any person so examined by the Governor or other authorized person, shall knowingly and wilfully swear falsely concerning the matter aforesaid, every such person is hereby declared to have committed perjury; and for securing to the State the payment of the aforesaid per centum, it is hereby declared that the State shall have a lien upon the railroad of said company, and upon all other property, estate and effects of the said company, whether real, personal or mixed, and the lien hereby secured by the State shall take and have precedence of all demands, decrees and judgments against the said company.

The first payment shall be made on the first day of March next, after fifty miles of said road shall be completed, and such payment shall be in lieu and in full of all claims of the State for the grant hereby made, and in consideration of such annual payment, the said company shall be forever exempt from all assessments or taxes whatever by the State, or by any county, town, city, village or other municipal authority in the State, (except special taxes for the improvement of streets and side-walks,) upon all stock in the said La Crosse and Milwaukee Railroad Company, whether belonging to said company or to individuals, or any of its franchises, or estate, real, personal or mixed; held by said company, and necessary for the operating of said railroad, and said lands granted by said act of Congress, and hereby authorized to be conveyed to the said La Crosse and Milwaukee Railroad Company, shall be exempt from all taxation under or by virtue of the laws of this State, for the period of ten years after the passage of this act, unless sooner sold or conveyed by the said La Crosse and Milwaukee Railroad Company, and the State shall have a prior lien upon the road of said company, and all the appurtenances and stock thereof, for all dues which may accrue to the State from said corporation as herein provided, which lien of the State shall take precedence of all demands, judgments, or decrees, against said corporation.

Sec. 7. Within five years after the title of such lands shall become vested in the said railroad company, the same, if any shall remain unsold, shall be offered for sale in limited quantities at fair prices, preference being given to actual settlers.

Sec. 8. The said La Crosse and Milwaukee Railroad Company shall have full power and authority to transport persons or property in boats, vessels, barges, or other water craft, on any navigable water which any portion of their railroad may run to, or connect with, and to receive and collect reasonable compensation for the same, and for that purpose may purchase or build and own such vessels, boats, barges, or other water craft, as it may require.

Sec. 9. The said La Crosse and Milwaukee Railroad Company shall be capable in law of taking and holding any lands granted by the Government of the United States, or of this State, to aid in the construction of railroads, which shall be conveyed to said company by this act, or by deed, or by operation of law; and may also mortgage or pledge, or otherwise dispose of all their right, title, interest, claim or demand, of, in, or to any lands, or interest in lands, granted to said company by this act, and in any other estate, real, personal or mixed, of which they may be seized at the time of execution of such mortgage, or which they may acquire subsequent thereto, in such manner and on such terms as the directors may think proper.

Sec. 10. In case the said La Crosse and Milwaukee Railroad Company shall construct the Railroad which by this act it is authorized to construct, or any part of it, upon or over any route, upon or over which any other railroad Co., authorized to construct a railroad, and upon or over which it has, prior to the passage of this act actually surveyed and located its line of railroad, it shall be the duty of the La Crosse and Milwaukee Railroad Company to settle with such railroad company upon principles of justice and equity, for all its property and rights of property which the said La Crosse and Milwaukee Railroad Company shall take, injure or destroy, and the latter company shall pay to any such company whose property or rights of property shall be thus taken, injured or destroyed, whatever the same is reasonably worth, such payment to be paid in money, bonds, stock, or lands, or in such other manner as said companies shall mutually agree. And if the said companies cannot mutually agree upon the amount of compensation to be made by the said La Crosse and Milwaukee Railroad Company to such other company, for the property and rights of property which said La Crosse and Milwaukee Railroad Company shall so as aforesaid take, injure or destroy, then, and in that case, each of such companies shall select a disinterested engineer, and the two engineers so selected shall choose a third person, and in case they cannot agree upon such third person, the Governor shall appoint such third person, and the three persons so selected shall constitute a board of Commissioners, whose duty it shall be to ascertain, determine, and award the amount of compensation which the said La Crosse and Milwaukee Railroad Company ought, *in justice and equity, to make to such other railroad company,* for the property and rights of property which shall be so as aforesaid taken, injured or destroyed.

Sec. 11. This act and all grants herein contained shall cease and be void unless the said La Crosse and Milwaukee Railroad Company shall accept of the same within *five days after the* passage of this act; and such acceptance shall be by a resolution adopted by the directors of said company, a copy of which duly certified by the Secretary of said company under its corporate seal within said period of five days from the passage of this act shall be deposited in the office of the Secretary of State. *And in case the said* La Crosse and Milwaukee Railroad Company shall violate the provisions of this act, the legislature may repeal this act, and may revoke all and singular the rights and franchises herein conferred, so far as the same has not been performed and fulfilled, and so far as the rights and privileges hereby granted have not become complete and absolute.

Sec. 12. All property which the said La Crosse and Milwaukee Railroad Company is authorized to appropriate, take, possess, hold, use or enjoy, by making payment therefor, as is in this act provided, is hereby declared to be taken for public use, so soon as the said company shall so appropriate, take, possess, hold or use the same.

Sec. 13. The capital stock of the La Crosse and Milwaukee Railroad Company is hereby increased two millions of dollars over and above its present capital, and within three months after the passage of this act, said company shall open books for subscription to such increased capital stock, after giving at least thirty days notice thereof, in two newspapers, one published in the city of Milwaukee, and one published in the city of Madison. Such books shall be opened in the city of Milwaukee and shall be kept open for not less than three days, and all persons shall be permitted to subscribe to said stock on the payment to the Treasurer of the Company of five per cent on the amount subscribed, in cash, but no one person shall be allowed to subscribe for more than two hundred and fifty shares of such stock. In case the number of shares subscribed shall exceed the amount of two millions of dollars, the same shall be reduced to that amount by deducting such sums as may be necessary pro rata from each of *the several subscriptions,* and all the shares of stock so subscribed shall be subject to calls for installments thereon in like manner, as the other stock of said railroad company.

Sec. 14. It is hereby declared, that in the judgment of the legislature of this State, the objects of the corporation named in this act, cannot be attained under or by general laws.

Sec. 15. The La Crosse and Milwaukee railroad company shall fence its road, in parcels, as it shall from time to time operate the same, within one year after it shall commence the operating of any and every such parcel, until the whole of such railroad shall be in a good, proper, and substantial manner fenced throughout the entire extent thereof.

Sec. 16. This act is hereby declared to be a public act, and the same immediately after the passage thereof, shall be printed by the state printer, and when thus published, shall take effect and be in force.

Why the Pro-Slavery Interests wants Kansas.

The Richmond, Va., *Enquirer* frankly tells the reason in the following words:

> Luckily for the satisfaction, or the confirmation, of such individuals as Mr. John Minor Botts, the Kansas-Nebraska act *is not destitute of immediate, visible and tangible advantage to the interests of the South. The repeal of the Missouri restriction, besides offering atonement and reparation for an affront upon the South, opens the federal domain to the free expansion and development of Negro Slavery.*
>
> *The only present chance of accession to the strength of the South, is the admission of Kansas into the Union with a pro slavery constitution.* In two years, at the farthest, that Territory will assume the sovereignty of a State, *and in all probability will adopt the institutions of the South. Then the South will recover its equality in the Senate, and will be competent to the protection of its rights.* Though incapable of directing the policy of the Government to the end of slavery propagandism, (which the South desires only for the purposes of self-defence,) it will be fully equal to the defeat of measures of Free Soil agression. *With Kansas to back it in the Senate, the South can compel the fulfilment of the Texas Treaty, by resisting the admission of other free States.* With Kansas to back it in the Senate, the South can stay the march of Abolitionism, and maintain its own rights and independence for an indefinite period.
>
> *But Kansas would have been a Free State if the Missouri restriction had not been repealed;* and instead of augmenting the power of the South, would have recruited the ranks of Abolitionism.
>
> It being thus a matter of supreme moment to the South that Kansas shall enter the Union as a Slave State the South should not depreciate the repeal of the Missouri restriction, *in virtue of which the inestimable advantage it secured to Slavery of perfect protection and free development.*

Defalcation of $22,000 in the Comptroller's Office.

A Model Clerk using the Funds of the State to Bet on Fillmore.

Correspondence of the N. Y. Times.

Albany, Wednesday Oct. 8.

One of our model clerks in the office of the Comptroller has been using about $22,000 out of the State Treasury.

The first haul for $10,000 was made in 1853, while Mr. Wright was Comptroller. It was a check for that amount transmitted to the auction bureau by Willmarding & Mount, in payment of auction dues. The clerk deposited the check in bank to his own credit, instead of with the State Treasurer to the credit of the State. He and the Comptroller passed out of office, and over two years have since elapsed.

When the Know Nothings came into power, last winter, the same clerk was appointed as one of the Americans that were to rule America, or so much of America as pertained to the auction and insurance business in the Comptroller's office, and in the past nine months he has abstracted about twelve thousand dollars more.

The last defalcations were detected a few days since, but the defaulter made off before he could be caught.

Great efforts are being made to hush up this piece of rascality, for fear it may injure the prospects of dear Fillmore and slanderer Brooks, but you may rely upon the above.

The defaulting clerk has been the back bone of the South Americans, in the way of sustaining their assertions by betting. He has promptly backed his opinions, and, as it now appears, using the funds of the State for that purpose.

Further from the Investigating Committee.—On Friday last, Hon. J. F. Potter made a report in reply to the statements of George B. Smith and Alexander T. Gray, late School Land Commissioners. It was a most searching and scathing exposure of the fallacy and absurdity of the quibbles set up by these persons in their reply, and shows them up in even blacker colors than the *original* report. We need not say that it is a masterly production, fairly stated and based on the proof of the record. It nails the ears of these characters to the pillory and clinches the iron. They can't dodge again.—*Madison Patriot (dem.)*

AN ACT concerning suits in Equity and actions at law,

The People of the State of Wisconsin represented in Senate and Assembly, do enact as follows:

Section 1. In all cases when the subject matter of an suit in equity, or action, or proceeding at law, shall be the title or any right or interest in, to of or concerning land, such suit, action or proceeding may be commenced, and proceeded with to final judgement or decree subject to existing laws in regard to change of venue, in the county where such land may be situate, and in case such land shall lie in more than one county, then in any county wherein is situate any of such land, any law to the contrary notwithstanding, and for the purpose of carrying out the provisions of this act any and all process, may be directed for service or execution to the Sheriff of any and as many counties of this State, as may be needful, and the same by such officer be served or executed in his county.

Sec. 2 Where any suit is commenced or is pending in any court of this State for the foreclosure of any mortgage, partition of real estate, or to compel the specific performance of any contract, relative to real estate, or to quiet title thereto, or to divest or transfer the like to the same by *conveyance* or decree, or to compel the sale of the same, for any purpose authorized by law, the complainant or plaintiff in such suit, in case any defendant therein may be absent from, or non-resident of the state, may give personal notice to such defendant in the state where he may be found, such personal notice shall be by *a copy of the subpœna, summons or process* in the case attested by the clerk of the court, out of which the same shall issue, on the back of which a brief statement of the cause of action shall be endorsed, and for this purpose the clerk shall issue as many original subpœnas on processes so endorsed as the plaintiff shall require.

Sec. 3. Such process or subpœna *shall require* such defendant to appear and plead, in the court from whence the same was issued, in not less than two, nor more than six moths, from the service thereof, as shall be ordered by any court commissioner or judge at chambers, and it may be served by any Sheriff, Notary Public, Justice of the Peace, or *by any officer authorized* by the laws of the state or territory where such defendant may be, to serve similar process in the county, city or jurisdiction, where such service is made, and the person serving such process shall make affidavit of the time and manner of making the service before some officer authorized by the laws of such state to administer oaths, and that he is such officer as is authorized by this section to serve such process; the official character and authority of the person administering such oath, shall be authenticated by the certificate of a clerk of court of record under his seal of office, or by the certificate and seal of the proper certifying officer of the county or jurisdiction where the person administering such oath exercises his office.

Sec. 4. The affidavit of service and certificate required by the preceding section shall be written upon or attached to a copy of the process or subpœna served on said defendant attested as herein before provided, and the same shall be transmitted to the clerk who issued such process by mail or other conveyance.

Sec. 5. On filing such process and proof of service in the court where such suit is pending, if the defendant so served shall not appear at the time required therein, such defendant shall be proceeded against as though said process had been served by the proper officer in this state, and no decree or judgment in a cause where such *proof of* service has been filed, shall be opened for rehearing, or set aside, or in any way altered, by any proceeding in behalf of such absent or non resident defendant unless he shall satisfy the court by affidavit, or other competent testimony, that the proof of service filed in the cause is false, and that such defendant received no actual notice in such case, but such *order, judgment or decree,* may be set aside or re-opened, for such reasons as would be sufficient, provided service was had in this State.

Sec. 6. This act shall not be construed so as to prevent any plaintiff from proceeding against any absent defendant, as heretofore allowed at the same time, or before or after the proceedings under this act.

Sec. 7. This act shall immediately after its passage be printed by the state printer, and when so printed shall take effect and be in full force.

Lt Governor and President of the Senate.

Ozaukee Co. Republican Nominations.—The Republicans of Ozaukee Co. have nominated the following excellent ticket.

Senator, A. Lamberson, of Grafton; Sheriff, Chas. W. Beals, of Ozaukee; Register, Henry C. Thayer, of Fredonia; Amond Galen, of Ozaukee; District Attorney, George W. Foster, of Ozaukee; Clerk of the Board of Supervisors, T. L. Janssen, of Belgium; Clerk of Court, Peter Moor, Grafton; Surveyor, Fred. A. Tennason, of Mequon; Coroner, D. M. Miller, of Fredonia.

The Good Cause in Virginia.

A letter from J. Thorburn, Chairman of the State Executive Committee of Virginia, appears in the Wheeling papers, addressed to J. C. Underwood, informing him of his being placed on the Republican ticket as an elector:

> "Our papers threatened that no such convention should be permitted to sit on Virginia soil. A Vigilance Committee was raised to put down any attempt to hold a meeting, yet we met in the most public manner, in the center of the city, and adjourned without any molestation whatever. Free speech triumphed. Why was it? The public sentiment was in favor of equal rights and free speech. Hancock and Brook counties above us, and Marshall below, together with this county, will poll a good vote." We should not be surprised if Eastern Virginia should seriously propose to secede from the Union, and that Western Virginia would secede from her and form a free State by herself.

The South for Disunion.—The following is from a recent number of the Charleston (S. C.) Courier, a Buchanan paper:

> "If it be desirable to triumph over our adversaries, and to preserve the Union UNTIL WE OURSELVES MAY BE READY TO ABANDON IT, it is certainly important to give the candidate of our party the frank and hearty support of all the Southern States, and none can take the lead with more propriety than ourselves.

Land Grant Bill Signed.—The bill conferring the lands embraced in the Northwestern grant on the La Crosse Railroad Company was returned to the Assembly, approved by the Governor, on Saturday. We have been at some pains to examine this bill, and think that by contrast, the people of the State will thank the Governor for his late veto. It is altogether in every respect an improvement, both in guarding the interests of the people, and insuring the building of a railroad. Now that the heat of the thing has passed, we think every candid person will agree that the veto has proved a public blessing. There is general satisfaction as to the terms of the new grant, and it only remains for the Company to carry out in good faith the intention of the legislature in the premises. It is not of course, all that any locality could ask, but a pretty fair compromise of opposing interests.—*Madison Patriot (dem.)*

Serious if not Fatal Accident.—Mr. J. D. Law, of the firm of Law & Griswold, in this village, met with a very sad accident on Wednesday morning last, about one-half mile west of the "Six Mile House," on the road to Stevens Point. As he was riding alone in his buggy, his whip dropped over the dash board, and in the attempt to reach it by stooping over the dash, his revolver fell from his coat pocket, striking the hammer on the cross bar which caused it to discharge. The ball entered his breast, passed through his body, and came out near the shoulder blade.—He turned his team around and drove back to the Six Mile House, where Mr. Jones carried him in and cared for him. Medical assistance was immediately called. At the present writing (Thursday afternoon,) he is still alive, with a bare hope of his recovery.—*Berlin Courant.*

MARINE INTELLIGENCE.

Chicago and Liverpool.—We notice the arrival of Stewart Ker, Esq. a member of a very heavy Liverpool produce house in our city. He comes to make arrangements for a direct trade between this city and Liverpool. He left Liverpool immediately after the arrival of the *Dean Richmond* at that port.

We notice that the project of *sending over three or four* more of our Lake vessels to Liverpool direct is mooted on Water street, and will probably be carried out.

The true plan is, however, to put a line of propellers on the route between this city and *Montreal* or Quebec, to connect with the line of ocean steamers running from those ports to Liverpool.—*Chicago Dem.*

The Gale at Chicago.—The Chicago *Tribune* brings the following account of disasters by the gale on *Monday.* We fear that we shall hear of more of them:

> A Severe Gale.—Yesterday and evening there was a severe gale, which must have done considerable damage to the shipping. We have heard of but three disasters.—The brig *A. L. Cobb,* in endeavoring to make this port yesterday afternoon, struck the bar and commenced leaking badly. She drifted to the southward of the piers, dragging her anchors, and was abandoned by her officers and crew. She afterwards sunk near the Illinois Central Breakwater, where she now lies, the sea making a clean breach over her. She is loaded with lumber, owned in this city, and is an old vessel.
>
> The schooner *Kenosha,* in attempting to get into the harbor last evening, missed the piers, and her anchors failing to hold, she went to pieces against the breakwater, half a mile south of the piers. Her crew were saved with the exception of a lad, who was washed overboard and not afterwards seen.
>
> Six vessels were anchored outside last night, unable to make the harbor, but there is every probability that they will outride the storm. We cannot learn their names.
>
> The schooner *Walker* was towed into the river in the afternoon, in a sinking condition.
>
> A vessel, name unknown, lost her anchors, and drifted out into the lake. Her fate was unknown when we went to press.
>
> During the gale, the propeller Wisconsin and the schr. Buena Vista, and a number of other vessels came into port all right.
>
> About 8 o'clock in the evening, the captain of a vessel says he was tacking *two miles off the outer light, when he* perceived a brig go down some two rods to the leeward Up to 10 o'clock no part of the wreck had been discovered. This is a rumor which, it is to be hoped, has no foundation.

The *Democrat* says that before the *Cobb* struck, the crew and passengers, among whom were a lady and child, were got off safely.

To-day the feeling is firm, but only 93a99c offered on board for spring—holders asking $1 on board by the cargo. Salem, N. J., Feb. 24, 1855.

Dr. C. M. Jackson—Dear Sir—I take great pleasure in sending you these few lines, recommending to all afflicted with that terrible disease, *Dyspepsia,* the valuable properties of *Hoofland's German Bitters.* For a long time I was sorely afflicted with that disease, and in expectation of obtaining some relief, used a great many preparations highly recommended for that purpose, but all in vain.—Being advised to try the German Bitters, I reluctantly purchased a bottle. I felt so much relieved by the use of that, that I obtained more of it, and now, after taking five bottles, I feel and consider myself a healthier man than I have for the last ten years.

Yours, respectfully, ANDREW YOURSON.

A CARD.

THE TELEGRAPH, of the 10th inst., reports the suspension of business by the International Insurance Co., of New York city. I was solely induced to act as Agent for this Company, from personal friendship for, and confidence in its former Secretary, Wm. F. Rollo, Esq., and from the further fact that S. A. Rollo, Esq., of the firm of A. S. Barnes & Co., Booksellers, was one of its Directors. No one who knows either of these gentlemen, could for a moment believe they would directly or indirectly countenance a fraudulent institution. And as late as May 14, 1856, this Company published in the Insurance Monitor, its statement, showing *Assets* amounting to the large sum of Four Hundred and Ninety-Four Thousand Dollars. There is no doubt that this Company was in a sound condition at this time. But subsequently, and about two months since, the President and Secretary were both arrested for an over issue of stock, amounting to over Two Hundred Thousand Dollars, and, being thus embarrassed, the Directors have thought it best to suspend business. By a recent examination and Report, sufficient assets are shown to amply secure all outstanding Policies

However, deeming it more satisfactory, I hereby request the return of all outstanding Policies of the International to me, and the acceptance of a Policy in a sound company, *free of charge,* for the unexpired term.

I have done no business for this Company since May having learned that both the Rollos had retired from the Company.

Chills and Fever.

TO THOSE who are afflicted with this disagreeable and baffling malady, we would state, that after years of hitherto unavailing research, a medicine has been discovered which will, in every case, effect a certain and permanent cure of this dreaded disease. It is not a quack nostrum prepared to extract money from sufferers, for the proprietor offers to refund the money if a cure is not effected after following the directions. He is assured by the evidence of hundreds of cures which they have effected, that this medicine is in reality the remedy so long desired in the Western country. This valuable medicine is prepared in the form of a pill, from the bark of a shrub, which has proved to be a perfect antidote to Malaria. They are simple and plain in their nature, powerful and active in *their operation, and perfectly harmless to the system,* having no other than a specific effect upon the disease which is truly wonderful. Some persons have stated that these pills must contain arsenic, or some powerful mineral, owing to their quick effect in curing this disease. The proprietor would state that he will pay one thousand dollars to any chemist who will find one particle of mineral in this composition.

Certificates of cure from persons of the highest respectability can be obtained by calling at the Drug Store of HENRY FESS, Jr., No. 195 East Water street.

N. B. One great recommendation for these pills are, that they only require about five to effect a cure. Enquire for THAYER'S OMEGA PILL, for the immediate cure of chills and fever or intermittent fevers of every description. Prepared and sold wholesale and retail by Fred. W. Thayer, 697 Washington street, Boston.

Agent in Milwaukee, HENRY FESS, Jr.,

Invalids

RECOVERING from the effects of Fever, Bilious Diseases, or long continued illness of any kind, will find Carter's Spanish Mixture the only remedy which will revive their drooping constitutions, expel all bad humors from the blood, excite the liver to a prompt and healthy action, and by its tonic properties, restore the patient to life and vigor.

We can only say TRY IT. A single bottle is worth all the so called Sarsaparillas in existence. It contains no Mercury, Opium, or any other noxious or poisonous drug, and can be given to the youngest infant without hesitation.

See the certificates of wonderful cures around the bottles. More than five hundred persons in the City of Richmond, Va., can testify to its good effects.

See advertisement. oct11-dlm

POLICE COURT, OCTOBER 14.

BEFORE CLINTON WALWORTH, POLICE JUSTICE.

John Griffin, drunk, fined $1.

LARCENY IN A DWELLING HOUSE.—A woman named Ann McMahon was brought up by Policeman Rice for stealing $3 from the dwelling house of John McMahon. The case was continued for one week; the defendant gave bail in the sum of $250 for her appearance.

CIRCUIT COURT, OCT. 14.

JUDGE RANDALL PRESIDING.

THE ARSON CASE.—The case of the State vs. Wm. Wilson on a charge of arson, which has occupied the Circuit Court for four days, was brought to a close, yesterday, (Monday) afternoon, by the jury acquitting the prisoner. It is but justice to the defendant to say that the jury had agreed upon his innocence before they left the box, and remained but 18 minutes in the jury room after their retirement, simply to avoid, if possible, being drawn on the next jury.

We shall notice this case more fully at another time; it is sufficient to say, now, that the right man was not on trial, and that Wilson has escaped uninjured from one of the most damnable conspiracies ever conceived to crush an innocent man.

Benedict Waegli was sentenced to 9 months in jail.

John Glancy, convicted of adultery, fined $150.

Richard Phillips, burglary in the American House, with intent to commit larceny, sentenced to one year in State Prison.

DIVISION OF THE FIFTH WARD.—The *Free Democrat*, of last evening, says:

"We learn from a private source that the bill for dividing the Fifth Ward, and creating the 8th, has passed both the Senate and Assembly, and will probably receive the signature of the Governor. The Ward is divided North and South, and the dividing line is Monroe St. The East half remains the Fifth Ward, and the West part becomes the Eighth Ward. So we grow."

THE STRAIGHT CUT.—Notwithstanding the very heavy sea which came rolling into the Bay Monday night and yesterday, before the North East gale, the cribs and piers of the New Harbor at the Straight Cut stood the test well. They sustained no material damage and with two or three weeks of working weather, will be in condition to resist the heaviest rollers.

COLLINGWOOD LINE.—We learn that the *Louisiana*, Capt. Davenport, takes the place of the ill-fated *Niagara* in this line for the remainder of the season.

THE ERIE RAILROAD TROUBLES.—The passenger trains upon the New York and Erie Road have run about the same during the past two days as they did the preceding two or three days. They all start regularly from Jersey City, except the 4 P. M. train to Patterson and the 9½ o'clock P. M. emigrant trains, which have not been been resumed. The trains which arrive are irregular, and considerably behind time. Within two or three days past several several freight trains have left Piermont. There seems to be less than half the usual passenger business done. The Company is not very successful in getting new engineers.—*New York Tribune*, 10th. oct14d3t

THE ORIGINAL ELECTRIC OIL,

Made only by Prof. DeGrath.

WHAT Col. E. H. Grant says:—I had the Neuralgia three years ago so badly that the physicians nor anything else I tried could relieve me. I bought a bottle of your Electric Oil of you in Chestnut st., at that time and before using two bottles, was perfectly cured, that has been three years since. Yesterday I had a slight attack of Rheumatism, and purchased another bottle to cure that. I have known several of my friends, Mr. Cripps and others, to be cured by your Oil, when scarce able to walk. You are the first introducer of the Electric Oil to my knowledge.

Col. Grant can be seen at No. 26 North Thirteenth st. Ask him. Ask Mrs. Hutchen, Seventeenth and Thompson sts., who was helpless, and cured by one bottle. Ask Mrs. Cannon, Coates st; one dose saved the life of her child, dying of croup. Ask all Philadelphians who have tried my genuine Electric Oil.

Rheumatism, Palsy, Pains, Neuralgia, Baldness, Toothache, Burns, Piles, Stiff Joints, Cramps, Swellings, &c., cured in a few days. Beware, and take none but the genuine pure DeGrath's Electric Oil. All others are mere deceiving nostrums.

At the old established Depot, 39 South Eighth st., four doors below Chestnut. Prof. Chas. DeGrath sole proprietor in the world. Prices, 25c, 50c, and $1.

Store not removed.

Sold by H. BOSWORTH & SONS, RICE & STEVENSON, and J. H. TESCH, Wholesale Agents, Milwaukee.

W. LAIDLAW'S LAND AGENCY,

Office 230 East Water Street,

(TWO DOORS SOUTH OF THE WALKER HOUSE.)

FOR SALE,

A Farm that is a Farm.

THIS FARM is situated in the handsomest portion of our fair State, within a short distance of a Railroad depot, bordering on a small lake of the purest water, with bold and beautiful shores, some mile and a half in length and three fourths of a mile in width. The owner, on account of ill health is compelled to give up the farming business, and will therefore give any man who has the means, a chance to purchase a princely farm on easy and reasonable terms and at a great bargain.—Said farm contains 480 acres, whereof about 220 are cultivated, 60 acres meadows and the balance fine heavy oak timber. 70 acres of wheat were raised on the farm this year and yielded 25 bushels per acre, which is all that is necessary to say in reference to the quality of the soil, and as regards building—dwelling, barns, sheep and cattle shes, &c. &c., they are all that can be desired as such a farm, the orchard is very large and contains almost every description of fruit, and there are 7 miles of fences on said farm.

This is undoubtedly the best chance offered in the State to procure a splendid farm. For further particulars of which, apply to the sale agent.

We learn that the Propeller *Louisville*, of the Ogdensburgh line, bound down, with a load of flour and grain, was destroyed by fire on Lake Ontario, last week. THREE P. M. REPORT.

ARRIVAL OF THE PERSIA.

BREADSTUFFS BETTER.

NEWS UNIMPORTANT.

New York, Oct. 14.

The steamship Persia arrived at half past nine A. M. She brings Liverpool dates to October 4th.

The steamer City of Baltimore arrived at Liverpool on the 1st—the Cambria on the 4th inst.

The Ericsson sailed on the 1st. The subjects of interest are the demonstration against Naples, the Belgian Boundary, and the Right of Possession of the Isle of Serpents. Respecting Naples, the only information is from the Brussels Nord, which says that the Austrian Minister at Paris and London have urgent orders from their government to entreat France and England to abstain from any demonstration until the return of Martisier's mediatorial mission to Naples. Further it is said that the Western Powers, in consideration of Austria, assent. There is considerable letter-writing, but no facts, respecting the Belgrave boundary.

German papers assert that Great Britain has addressed a second note to Russia on the subject of the Isle of Serpents, more peremptory than the first. The result is unknown.

Great Britain has proposed, as a plan of adjustment of the Montenegro difficulties, that Turkey cede an extension of boundary to Montenegro, and that Montenegro acknowledge the sovereignty of the Porte.

A royal decree removes the confiscation from Queen Christina's property in Spain.

Napoleon has returned to Paris.

There are rumors of intrigues between the Austrian and French troops in Italy.

The ministerial crisis continues in Denmark.

The steamship Arabia had arrived at Southampton.

The Persia brings 20 passengers.

October 8th, lat. 49, 50, long. 35, 40, passed a steamer supposed to be the Asia.

Liverpool Markets.

The following is from the Circular of Richardson, Spencer & Co., dated Liverpool, Ocberto third:

The arrivals of Breadstuffs for the week are liberal. During the week the grain trade has been steady without much activity. Flour in reduced stock and with light prospective arrivals. There has been more demand and full prices paid for choice qualities. At to-day's market there was a moderate demand for wheat.

Prices of this day—the advance of Tuesday being scarcely maintained. Market closed quiet. Flour in good request and rather dearer, from scarcity. Indian Corn steady and not much doing.

Quotations—Philadelphia and Baltimore, 31s 3d to 32s 8d; Ohio, 35s 6d to 36s. Wheat—inferior, out of condition, 6s to 8s. good red, 9s to 9s 3d; white, 10s to 10s 5d, per 70 lbs. Indian corn—mixed, 32s 6d, yellow, 33s, white 32s 6d, per 48 lbs.

The Broker's Circular says, wheat flour during the week advanced 1s per barrel, and wheat 2d per bushel, white. Holders of corn had raised their pretension 3da1s.

London Money Market active and the Bank of England had raised its medium rates of interest to five per cent, which caused less pressure.

Consols had fluctuated considerably, closing on Friday at 92¼ to 92 3-8 for money. American stocks without demand.

Election News.

SAVANNAH, Georgia, Oct. 14.

PHILADELPHIA, Oct. 14.

An Independent meeting was held last night on the Custom House steps, relative to the imprisonment of the Shiffler Hose Co., charged with the murder of Mr. McIntyre.

It is expected that in consequence of this affair, a heavy American vote will be polled to-day.

The election thus far has passed off quietly.—A heavy vote is being polled particularly in the town wards of the city.

FINNEY YOUNGS' PATENT SAWING MACHINES.

PATENTED JANUARY 30, 1855.—REISSUED OCT. 9, 1855.

THIS IS TO CERTIFY, That we purchased the first Siding Mill built by Finney Youngs, of Milwaukee, and that we have run the same Machine at our Mills at Bay du Noque, (Mich.) the past two years, and that it has exceeded our expectations. We have no hesitation in saying that it will cut Two Thousand Feet, superficial measure, per hour, and upon a trial of twelve hours we cut 22,184 feet, superficial measure, of Flooring and Siding.

N. LUDINGTON & CO.

Milwaukee, Sept. 19th, 1856.

This is to Certify, That we have used one of Finney Youngs' Patent Sawing Machines, or Siding Mills, for about one year, and find it the most perfect Machine we have ever seen. It is easily kept in order. We have expended but a shilling for repairs on it as yet.

We have never seen any Machine of the kind that will in any way compare with this. It will cut nearly or quite double the amount of Lumber in the same time of any other mill we have ever examined.

The man that runs it has offered to bet one thousand dollars he could saw in this Siding Mill Fifty Thousand Feet of Lumber within twenty-four hours—

The Lumber sawed in this mill is of universally even thickness, which is not the case with any other we have seen.

We really would not exchange our machine for any other ten machines of any other Patent we ever saw, for our own use.

CHICAGO, August 18th, 1856.
BRAND & CO.

Algoma, August 30th, 1856.

Messrs. Finney Youngs & Co.:

Gents—We have in use, in our mill at Pensaukie, Green Bay, two of your Siding Machines, and find them to answer our expectations in all respects. We prefer them to any we have ever used, or of which we have any knowledge. From the report of our Superintendent, we learn that one of your Machines cut during the week ending July 19th, 155,358 feet of Lumber—mostly fencing and flooring—being about 26,000 feet every twenty-four hours. For rapidity and smoothness of sawing, as well as durability of construction, we think it cannot be equalled by any other Machine now in use.

Yours, truly,
F. B. GARDNER & CO

TO BRIDGE BUILDERS.
THE La Crosse & Milwaukee Railroad Co. invite proposals, with plans and specifications, until Wednesday noon Oct 15th next for building a bridge over the Wisconsin river on the line of their road. This road extends in a north westerly direction across the State from Milwaukee on Lake Michigan to La Crosse on the Mississippi River, crossing the Wisconsin River at Kilbourn City in Columbia County. The river, at this point, runs in a rocky bed, the banks of which are vertical rock bluffs to the height of 80 feet above the water, at which point they are at the grade of the line of the road, and about 300 feet apart. The water is about 20 feet deep having in the middle of the stream, a few feet of sand overlaying the rock bottom. It is proposed to erect two piers about 50 feet from either bank, at which the water is about 5 feet deep at low water, with a clean rock bottom giving a span [illegible] of 200 feet and two short spans at the ends resting upon the natural rock as abutments. It is desirable so to construct the bridge as to give a wagon way below the R. R. track, passing the latter over the higher section of the bridge. The Company reserve the right to award the contract to any parties, on any plan furnished, but in case of their giving the contract to any bidder on any plan furnished by any other person, they will pay to the person furnishing such plan the sum of FIVE HUNDRED DOLLARS, in full consideration of the plans or specifications so adopted.
